## Terms and Conditions of Use of the Global Hydrological Model H08

Please read this agreement before downloading the Global Hydrological Model H08 (hereinafter “H08”).

Stipulations regarding the use of H08 provided here by the Center for Global Environmental Research (hereinafter “CGER”), National Institute for Environmental Studies, Japan are as follows.

### Article 1: Copyright

The owners of the copyright of H08 are Dr. Naota Hanasaki (hereinafter the “Developer”) and CGER.

### Article 2: Reprints and quotations

In the event of the publication of a document or scientific paper using H08 or its modified version, the following paper must be referenced:

Hanasaki, N., S. Kanae, T. Oki, K. Masuda, K. Motoya, N. Shirakawa, Y. Shen, and K. Tanaka (2008), An integrated model for the assessment of global water resources - Part 1: Model description and input meteorological forcing, *Hydrol. Earth Syst. Sci.*, 12, 1007-1025.

### Article 3: Usage restrictions

1. Users must not use the H08 model or any modified version of it for purposes other than non-commercial research or educational purposes. Any commercial use of H08 is strictly prohibited.
2. Users must comply with the terms stipulated in this agreement and in the Copyright Act of Japan with respect to the use of H08.
3. Users may change the source code for private use. Furthermore, users may copy and distribute the modified source code or binary code, provided the following

conditions are met.

- 1) No compensation is received.
- 2) It is clearly stated that the original H08 has been modified.
- 3) Permission from the Developer is obtained.
- 4) Re-distribution of the binary code alone is not permitted. The modified binary code is re-distributed always together with its original source code and with the Terms and Conditions stated here.

#### Article 4: Liability disclaimer

1. We provide no guarantee whatsoever as to the accuracy or output precision of the source codes.
2. The user or third party shall bear all responsibility for any damages or losses that may result from the use of H08 regardless of the cause.
3. The Developer and CGER shall not be liable in any capacity for any technical trouble such as transmission failure, or any damage to the user that may result from the downloading of H08.

#### Article 5: Others

1. This agreement may be changed due to various conditions.
2. This agreement is governed by Japanese Law.
3. This agreement falls under the legal jurisdiction of the Tokyo District Court.
